Penalties and Interest

If you fail to pay your total tax liability by April 15, 2008, you will incur a late payment penalty plus interest. If you have paid at least 90% of the tax shown on the return by the original due date of the return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 15, 2008, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519 voucher. If you do not file your tax return by October 15, 2008, you will incur a late filing penalty plus interest from the original due date of the return.

Taxpayers Residing or Traveling Outside the USA

If you are living or traveling outside the USA on April 15, 2008, the deadline to file your return and pay the tax is June 16, 2008. Interest will accrue from the original due date (April 15, 2008) until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 15, 2008. To avoid any late-payment penalties, pay your tax liability by June 16, 2008. When filing your tax return, attach a statement to the front indicating that you were "Outside the USA on April 15, 2008."
